

Making Plans For Nigel

Primus

We're only making plans for Nigel
We only want what's best for him
We're only making plans for Nigel
Nigel just needs that helping hand And if young Nigel says he's happy
He must be happy
He must be happy
He must be happy in his work We're only making plans for Nigel
He has his future in a British steel
We're only making plans for Nigel
Nigel's whole future is as good as sealed, yeah And if young Nigel says he's happy
He must be happy
He must be happy
He must be happy in his work Nigel is not outspoken
But he likes to speak
And he loves to be spoken to Nigel is happy in his work
Nigel is happy in his work We're only making plans for Nigel
We only want what's best for him
We're only making plans for Nigel
Young Nigel needs my helping hand We're only making plans for Nigel
Young Nigel needs my helping hand
We're only making plans for Nigel
Nigel is gonna need your [Incomprehensible]
