

# This Ain't Sex

Usher

Yeah, you need to turn this up  
(All the ladies report to da dance floor)  
Yeah, it's just you and meDa, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, daBaby, I can't wait to get you up in my room  
Baby, just let me go and set up the mood  
Now I'm gon' do you up and then I'm gon' do you down  
I'm gon' have that body, baby, floating all around  
And all you gotta do is come close to me  
Bring it all to me, it's going downWe ain't having sex  
We're making moments that will outlast the world  
And this ain't sex  
This is the symbol of the true makings of love  
I'm open all night  
(All night)aww baby  
look at what you doin to me  
makes me believe  
im not buying to see everything you giving to meThis is love, this is real  
This is how u make me feelthis is love, this is real  
this is how u make me feelBaby, I can't wait to deliver you  
(Like a Fed-Ex box, baby girl sign you own name)  
Baby, I can't wait to remember you  
(Kinda like ya first phone call on ya birthday)How I did you up and then how I did you down  
Yeah, I had that pretty body floatin' all around  
Taking back to when you was close to me  
And I thought that we'd never come downWe ain't having sex  
We're making movements that will outlast the world  
And this ain't sex  
This is the symbol of the true makings of love  
I'm open all nightLook what you did to me, make me a believer  
I'm not dying to see everything you're giving to me  
Ooh baby, feels so good, can't get carried away  
Need to stop and think before it's too late  
I can't, it feels so good inside  
I guess we'll turn this moment into a lifetimeDa, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, daWe ain't having sex

We're just making moving that'll outlast the world  
And this ain't sex  
This is the symbols of the true makings of loveDa, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, da  
Da, da, da, da, daa, daThis is love, this is real  
This is how you make me feel
