Turn Me Loose

Vince Gill

well turn me loose
turn me loose you know that i cant stay
you'd better turn me loose
turn me loose cause you know ill make it anyway
why dont you tell me
just whats goin on
we both whats mine here
and we both know its wrong
so why dont you let me
why dont you leave it alone
dont keep holdin on to a love thats dead and gone
you'd better turn me loose
turn me loose you know that i cant stay
you'd better turn me loose
turn me loose you know ill make it anyway
well you cant see its over
thats really a shame
well our love didnt make it
but noones to blame
why dont we just say goodbye
why dont we just say we're through
and ill be on my way and ill get by without you
you'd better turn me loose
turn me loose you know that i cant stay
you'd better turn me loose
turn me loose you know ill make it anyway
you'd better turn me loose
turn me loose you know that i cant stay
you'd better turn me loose
turn me loose you know ill make it anyway
turn me loose you know ill make it anyway
