

My Last Serenade

Sean Townsend

This is my last serenade
This is my last serenadeThis revelation is the death of ignorance
Tangled in a state of suffocation
Slave to self righteousness
Damnation is on your lipsFrom sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your headThis is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run awayIt's your choice, point the finger
But it's on your head
Your destination is a choice
Within yourselfWill you rise or become a slave
To self righteousness
Open up your heart
And gaze withinFrom sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your headThis is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run away
