Four Hearts In a Can

Smog

Four hearts in a can
Speeding through the countryside
And they're driving as fast as they can
Four hearts in a can
Speeding through the countryside
And they're driving as fast as they canTrying to outrun
Four thousand problems
Trying to outrun
Four thousand girlsFour hearts in a can
Speeding through the countryside
And they're driving as fast as they canTrying to outrun
Four thousand problems
Trying to outrun
Four thousand girls
And they're headed for
Four thousand and oneThey're headed for
Four thousand and oneAs fast as they can.
