

Lady Evil (7" Mono Edit)

Black Sabbath

There's a place just south of Witches' Valley
Where they say the wind won't blow
And they only speak in whispers of her name
There's a lady they say who feeds the darkness
It eats right from her hand
With a crying shout she'll search you out
And freeze you where you stand
Lady evil, evil
She's a magical, mystical woman
Lady evil, evil in my mind
She's queen of the night
All right
In a place just south of Witches' Valley
Where they say the rain won't fall
Thunder cracks the sky, it makes you bleed, yeah
There's a lady they say who needs the darkness
She can't face the light
With an awful shout, she'll find you out
And have you for the night
Lady Evil, evil
She's a magical, mystical woman
Lady Evil, evil on my mind
She's queen of the night
So if you ever get to Witches' Valley
Don't dream or close your eyes
And never trust your shadow in the dark
'Cause there's a lady I know who takes your vision
And it turns all around
The things you see are what to be, lost and never found
Lady evil, evil
She's a magical, mystical woman
Lady evil, evil on my mind
She's queen of the night
Gonna do it right ?
She's the queen of sin
Look out, she'll pull you in
Lady wonder
