Love Is Dangerous

The Riotous Brothers

I've Had It With Distant Double Vision
My Hand Swollen I Can't Keep Holding On
My Heart Sinking And Stuck In Deadly Rhythm
I Can't Fake It I Can't Keep Brushing Off
Love, Love Is Dangerous
Love, Love Is So Dangerous
I'm Back At It I Just Don't Seem To Listen
I See Your Lips I Just Can't Hear The Sound

It's All Static Just Like My Television
The Skills Sharpen Her Eyes Caught Through The Clouds
Love, Love Is Dangerous
Love, Love Is So Dangerous
X4
(Mark Hoppus Backup)
I Need Love, Love Is Dangerous
Love, Love Is So Dangerous
(Mark Hoppus Back-Up)
