20,000 Gun Salute

The Coup

Whoa, uh he heh, he heh, uh he heh
That kicked ass
Yeah, yeah, heh, yeah
That was fly, that was fly20,000 gun salute, get rowdy like you got a substitute
This slug's for Newt, shut your mouth, don't pollute
Army of down motherfuckers, shit we tryin' to recruit20,000 gun salute, get rowdy like you got a substitute
This slug's for Newt, shut your mouth, don't pollute
Army of down motherfuckers, shit we tryin' to recruitSee now we're talkin' systematic, mack mechanics, decomposin'
Chosen, representatives from the hoe's been known
To act wit pimp theatrics, a tactic necessary
In fact they wanna have us buyin' from the commissaryThis commentary's for my folks under involuntary servitude
'Cause bosses don't be servin' you your monetary
Pervin' you like rum 'n' dairy pulsin' through your capillaries
Some inherit green, the rest just get our folks to buryI'm abolitionary, wishin' the judiciary
Say this year for merry merry, free the penitentiary
Peoples gon' rumble as long as stomachs grumble
And crack pipes tumble over asphalt that's crumbledHundreds come in bundles and, hop is mixed with funnels
'Cause babies wit shoes too small gon' stumble
This composition is sedition, opposition to the rulin' class
Wishin' they could detonate us hooked to the ignitionKeep my slacks creased to punch the clock for the beast
As my rent don't cease, his pockets get obese
Can't have inner peace without havin' a piece
When the stepped on step up, we let the dragon release20,000 gun salute, get rowdy like you got a substitute
This slug's for Newt, shut your mouth, don't pollute
Army of down motherfuckers, shit we tryin' to recruitDisaster, the filthy rich bastards wanna milk yo' ass
Faster, ask fuh, no salvation comin' from the damn pastor
Old ladies play canasta, under roofs of cracker plaster
Little kids dive in the trash for discarded DutchmastersDead potnahs on mural walls
Homeless kids takin' baths up in gas station urinals
Shit the system can't cure it all
If everybody had a job then stock value's sure to fallHundred million neck slashes, so these fascists
Can make sho' that they check cashes, let's get massive
Wage struggle as direct classes, on just how we gonna
Overthrow they bitch asses, give whiplashesFrom the force as we make it tight, and ignite
The flames of takin' over daily life, make it a right
To have food, threads and homestead
And Pac Bell won't ever cut your phone dead, we own itBut these business that love payin' minimum wage

Ain't gon' let you take they shit unless you showin' the gauge
And if you do it by yourself they gon' put you in a cage
If you in a rage, please meet me on the same page, with a20,000 gun salute, get rowdy like you got a substitute
This slug's for Newt, shut your mouth, don't pollute
Army of down motherfuckers, shit we tryin' to recruit
