Brokeup

Arca

Uh, uh
Uh-uh, I'll push and pull it out
Breed it
More
I'll push and pull it out
It's too much for me to takeIt's too much for me to takeI'll push and pull it up, wait
It's too much for me to takeIt's too much for me to take, ok?Workin' thick all week to push it
I don't feel my body leaningWorst comes to worst
I'm feeling like a natural heathen
Superstitious blood [?]
Wait for you
Now all I can see
It's too much for me to take
It's too much for me to take
So where you goin'?
I'll push and pull it out, breed it
It's too much for me to take
It's too much for me to take
It's too much
