

The Way You Do The Things You Do

Jordan Pruitt

The way you do the things you do
The way you do the things you do
You got a smile so bright
You know you could have been a candle
I'm holding you so tight
You know you could have been a handle
The way you sweep me off my feet
You know you could have been a broom
The way you smell so sweet
You know you could have been some perfume, yeah
Well, you could have been anything that you wanted to
And I can tell

The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do
As cute as you are
You know you could have been a flower
If good looks was a minute
You know that you could have been an hour, yeah
The way you stole my heart
You know you could have been a cuckoo
And baby you're so smart
You know you could have been a schoolbook, yeah
Well, you could have been anything that you wanted to
And I can tell

The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do, oh yeah
The way you do the things you do
The way you do the things you do
You make my life so rich
You know you should have been some money
And baby you're so sweet
You know you should have been some honey, yeah
Well, you could have been anything that you wanted to
And I can tell, I can tell

Well, you could have been anything that you wanted to

And I can tell

The way you do the things you do

The way you do the things you do

The way you do the things you do

The way you do the things you do

The way you do the things you do

The way you do the things you do

The way you do the things you do
