

# Dab Daddy

## Migos

Yeah, ah  
Lemme talk my shit, nigga  
Migo, huh  
Fuck wrong with these niggas, nigga?  
Yeah When I copped the coupe they was mad at me (skirrt skirrt skirrt)  
Hoes calling me the dab daddy (I'm the dab daddy, I'm the dab daddy)  
Bettin' poker chips, I ain't playin' Madden (I ain't playin' Madden and I ain't playin' sticks)  
I'm a rich nigga, you can check my status (You can check my status, you can check the stats)  
Pass chemistry, fuck mathematics (Fuck mathematics, I ain't pass school)  
My money counter do the adding (Money counter do the rules)  
I bought a carpet from Aladdin (I bought a carpet from Aladdin)  
So I can finesse and do magic (So I can fly and finesse, nigga)  
Rammin' the engine in traffic, rumm!  
Lost Mike and Pete, that's tragic (R.I.P., damn) I'm the dab daddy, I'm the dab daddy  
I'm the dab daddy, I'm the dab daddy, yo  
Hoes calling me the dab daddy  
Hoes calling me the dab daddy Offset! From the jail cell  
My wrist so sick it got sickle cells  
Working my wrist like a ferris wheel  
You say this and that while my pockets filled (cash)  
We don't spare no nigga  
Cut his head off and show me his real  
We got diamonds and gold, ain't no stainless steel  
Independent, we didn't take a deal, oh!  
I know you heard about the fight  
I know you heard about the shooting  
I know you heard a nigga ruthless (I know it)  
Thirty thousand for a viewing  
Bitch you see the dab  
Tipping Margielas, you do the math  
When I pull up on Beverly shopping  
I pull up in a Phantom, not in a cab  
Red bottom drippin' it's a blood bath  
Ferragamo, arrested for my dab  
Say I'm the dab daddy with my dabbin' ass  
Fucked your bitch one time, I give her back, here! I'm the dab daddy, I'm the dab daddy  
I'm the dab daddy, I'm the dab daddy (yo)  
Hoes calling me the dab daddy  
Hoes calling me the dab daddy Dab, dab on top of dab

Takeoff in the kitchen like I'm Dexter's Lab  
Walk in the mall and I dip in Ge'  
Swappin', no swappin', no check the tag  
Gas better sewed up, bitch you wanna take self  
Dicking it up, never not fuck they momma, they call me Mel  
Rich nigga but I know we handsome and wealthy  
Takeoff is spillin' Actavis on new Margielas  
Everywhere I go they call me dab daddy  
Dab daddy, got different, different dab  
Flippin' dab like a acrobat  
Flippin' it, flippin' it, flippin' 'em  
Twenty-five-hundred my tapestry, I got expensive habits (Actavis, Actavis, Actavis)  
Throw body parts on my MurciÃ©lago, pull up like Go Go Gadget  
Pull up in valet, the David Bland do magic  
Dippin', dabbin' in the Phantom  
Lookin' at the roof and it's panoramic  
Diamonds clear water like they from Atlantic  
Dab daddy, I'm the king of the fashion! (Takeout!) I'm the dab daddy, I'm the dab daddy  
I'm the dab daddy, I'm the dab daddy (yo)  
Hoes calling me the dab daddy  
Hoes calling me the dab daddy
