

Old Flavours (Guido Vannes Bootleg 2016)

Empire of the Sun

For the longest time
Walking on the golden line
My body's never been so light
Must have been the first timeFor the longest time
Walking on the golden line
My body's never been so high
Must have been the first timeFor the longest time
Walking on the golden line
My body's never been so high
Must have been the first time
