(I Wish I Knew How It Would Feel To Be) Free/One

Lighthouse Family

(I Wish I Knew How It Would Feel To Be) Free/OneI wish I knew how it would feel to be free
I wish I could break all the chains holding me
I wish I could say all the things that I should say
Say 'em loud say 'em clear
For the whole wide world to hearI wish I could share
All the love that's in my heart
Remove all the bars that keep us apart
And I wish you could know how it is to be me
Then you'd see and agree that every man should be freeI wish I could be like a bird in the sky
How sweet it would be if I found I could fly
Well I'd soar to the sun and look down at the sea
And I'd sing cos I know how it feels to be freeI wish I knew how it would feel to be free
I wish I could break all the chains holding me
And I wish I could say all the things that I wanna say
Say 'em loud say 'em clear
For the whole wide world to hear
Say 'em loud say 'em clear
For the whole wide world to hear
Say 'em loud say 'em clear
For the whole wide world to hearOne love one blood
One life you've got to do what you should
One life with each other
Sisters, brothersOne love but we're not the same
We got to carry each other Carry each other
One One One One One...I knew how it would feel to be free
I knew how it would feel to be free
