I Can't Help Myself

Nobody's Angel

You smile a lot, it makes me wonder what you're thinking of
'Cause, baby you're always on my mind
And right now I want you with me here by my side
With me till the end of timeI just can't help myself, I'm falling in love with you
It doesn't matter what you say and what you do
Just give me chance and I know I'll make you understand why
I just can't help myself, I'm falling in love with youDon't always find, should tell the world just how I'm feeling it
'Cause, I wanna be sure you feel the same
The more that I think about it, you need to know
There's no other way, no, noI just can't help myself, I'm falling in love with you
It doesn't matter what you say and what you do
Just give me chance and I know I'll make you understand why
I just can't help myself, I'm falling in love with youYou must have been sent from heaven above
You're everything I've ever dreamt of
Too good to be true
No I don't think soBaby, noLaa laa laa
Laa laa laaJust give me chance and I know I'll make you understand why
I just can't help myself, I'm falling in love with you
I think I'm falling in love, I think I'm falling in love
Lo-lo-loveI think I'm falling in love, I think I'm falling in love
Lo-lo-love
I think I'm falling in love, I think I'm falling in love
Lo-lo-love
