## **Everything Glorious**

## **David Crowder Band**

The day is brighter here with You
The night is lighter than it's hue
Would lead me to believe
Which leads me to believeYou make everything glorious
You make everything glorious
You make everything glorious
And I am Yours

What does that make me?My eyes are small but they have seen
The beauty of enormous things
Which leads me to believe

There's light enough to see that You make everything glorious

Yeah, You make everything glorious
You make everything glorious

And I am YoursFrom glory to glory You are glorious, You are glorious

From glory to glory

You are glorious, You are glorious

Which leads me to believe

Why I can believe that You make everything glorious

Yeah, You make everything glorious

You make everything glorious

And I am YoursYou make everything glorious

Yeah, You make everything glorious

Oh, You make everything glorious

And I am YoursFrom glory to glory, oh, from glory to glory

You are glorious, You are glorious

You are glorious, You are glorious And You make everything glorious

Yeah, You make everything glorious You make everything glorious

And I am Yours
