## Big L

Yo yo what the fuck, man? Big L takin' over the streets  
Flamboyant entertainment What yall bout to witness, Big L  
My whole crew wild, the game is called rap  
Other MCs, they aint got a chance at all  
My whole crew wild What yall bout to witness, Big L  
My whole crew wild, the game is called rap  
Other MCs, they aint got a chance at all  
My whole crew wild Yo, Im straight loco, to Hell with you an' your broke hoe  
You aint a big dog, you more like Toto, you got no dough  
I smoke dro mixed with cocoa, strong as bolo  
I pack a fo fo, platinum ro ro, anti-homo, thats a no-no So fuck popo, I push the 740 an' not the Volvo  
C town push the 600  
Im with a bitch on dolo, chips from here to Acapulco  
While yall buck for legs, I buck for heads  
I even buck celebs, nigga, fuck the Feds My underground niggaz, yall can shine with me  
Got my own label now, so yall can sign with me  
Yall can take me from the bottom an' climb with me  
Thats fine with me, thats how it was designed to be Aiiyyo, gats we bust, backs we crush  
Only hot tracks we lust, crazy stacks we clutch  
An' we need plaques to touch that say platinum plus  
'Cause half of you niggaz thats rappin' now is whack to us Aiiyyo, gats we bust, backs we crush  
Only hot tracks we lust, crazy stacks we clutch  
An' we need plaques to touch that say platinum plus  
'Cause half of you niggaz thats rappin' now is whack to us An' cats still wonder, can they get as hot as he been?  
That probably depends, let me show you how to begin  
Bang chicks in Marriott's, down to quality inns  
Hit the bar, spend cash like Monopoly ends Plushed out, rock gators an' exotical skins  
Come in the hood, flippin' the chicken an' broccoli timbs  
Niggaz, come in the game, block they shot at the rim  
That aint in you? The fuck you gon possibly win? I do it, Booty calls on the Blackstreet Teddy tip  
Keep a steady grip, make cream just like ready whip  
Heavy with styles thats the deadliest  
Cats on that petty shit, watch how much lead he get You tryin' to go places, chasin' oasis  
About nothin', gettin' low wages  
Drink Hennessey with no chasers  
Right hook is like Joe Frasier's, Im the bodacious Body parts are big an' like Schwarz-a-niggaz  
Smokin' Garcia Vega, tryin' to get the larger paper  
If you block the cash, we lockin' ass  
Ima put it in your chest like a stalkin' past Only out to earn figures like we please

But I dont mind to burn niggaz like CDs  
Now, exhibit styles I kick with it  
Pardon me, but Im fuckin' sick widditAiiyo, gats we bust, backs we crush  
Only hot tracks we lust an' crazy stacks we clutch  
An' we need plaques to touch that say platinum plus  
'Cause half of you niggaz thats rappin' now is whack to usAiiyo, gats we bust, backs we crush  
Only hot tracks we lust an' crazy stacks we clutch  
An' we need plaques to touch that say platinum plus  
'Cause half of you niggaz thats rappin' now is whack to usOther MCs, they aint got a chance at all  
My whole crew wild, what yall bout to witness
