## The Pipettes

He knows all about the movements of the planets
But he don't know how to move me
He knows about the sonic spectrum damnit
But he don't know if it's groovy

He knows about
A-B-C-1-2-3-X-Y-Z
But he don't know about X-T-C
A-B-C-1-2-D-Even I
Ain't in any of his categories

Kind of tall and kind of shy
He's always asking me why
He's always got his head in a book
He doesn't care how I look

He cares about
A-B-C-1-2-3-X-Y-Z
But he don't know about X-T-C
A-B-C-1-2-D-Even I
Ain't in any of his categories

He's the kind of guy
who knows just what he knows
He's the kind of guy
who oh-oh-oo-oh-oh-oh

A-B-C-1-2-3-X-Y-Z
But he don't know about X-T-C
A-B-C-1-2-D-Even I
Ain't in any of his categories
A-B-C-1-2-3-X-Y-Z
But he don't know about X-T-C
A-B-C-1-2-D-Even I
Ain't in any of his categories
