

Life Is Like a Mountain Railway

Linda Ronstadt

Life is like a mountain railway
With an engineer that's brave
We must make this run successful
From the cradle to the graveHeed the curves and watch the tunnels
Never falter, never fail
Keep your hands upon the throttle
And your eye upon the railBlessed Saviour there to guide us
Till we reach that blissful shore
And the angels there to join us
In God's grace forevermoreAs you roll across the trestle
Spanning Jordan's swelling tide
You will reach the Union Depot
Into which your train will rideThere you'll meet the superintendent
God the father, God the son
With a happy joyous greeting
Weary pilgrim, welcome homeBlessed Saviour there to guide us
Till we reach that blissful shore
And the angels there to join us
In God's grace forevermoreIn God's grace forevermore
