# Man In Motion

## Night Ranger

I think about you
I think about me
I think about love, oh yeah
How I want it to beWhen I think about love
I never wait
Dinner for two, me and you
I'll get ya home by eight, yeahAll I wanna do
Is to make it with you
All I wanna say
That I just can't waitTalk about me
I'm a sign of the time
Gotta life kicking in
Hangin' out I'm in overdriveThink about love
Give it what I got
My sights on you
Ooh, baby shoot, shoot, oh yeahAll I wanna do
Is to make it with you
All I wanna say is babyChorus: I will be, I'll be your man in motion
I want you, I want you all night long
I will be, I'll be your man in motionThink about you
Cold steel in your eyes
Need it so bad, oh yeah
Gonna dress you up and take you for a rideWhen I'm next to you
Call it love
Call it passion
Call it anything just call me to youAll I wanna do
Is shake it with you
(Shake, shake, shake)
All I wanna say is baby(Repeat Chorus)
All I wanna do
Is shake it with you
All I wanna say is baby(Repeat Chorus x2)
