

Toys

Ace Frehley

Drivin' my Jag, shootin' my guns
Take me to Vegas, I wanna have fun
I wanna shoot craps, I wanna play cards
Stay up late, 'til the sun come up
I wanna play with the toys I like
Not stop until I've had enough Toys (Toys)
For big boys (boys)
You'd be surprised
The joy they bring
The open road, we take down the top
But don't look back and forget to stop
We could go fishin' and take a speed boat
Jump across waves and surf 'til we drop
I wanna play with the toys I like
Play hard until I've had enough Toys (Toys)
For big boys (boys)
I end up feelin' like a king I wanna sky dive, feel the rush
Climb a mountain straight to the top
I wanna play with the toys I like
Keep playin' until I've had enough
Toys (Toys)
For big boys (boys)
And I end up feelin' like a king Toys (Toys)
For big boys (boys)
And I end up feelin' like a king
