

Royalty (feat. Future & Big Sean)

Jeremih

Club jam packed, they gon' treat us like we royalty
Club jam packed, they gon' treat us like we royalty
Got bad bitches in the VIP in our section
They want girls kissin girls, that's the way we do it, flexin' yeah
Shawty wanna ride with the team, go on and
come
Mollies and 'em perks, got these young bitches sprung
I know you enjoying these moments
Let's get some girls and go turn up
I brought some cash, we can burn up
Do you like new Chanel, nel, nel
Tell your ex well, well, well
I be the nigga who take your bitch from you and give her right back to you
You should be thanking me nigga, cause I gave her right back to you
Club jam packed, they gon' treat us like we
royalty
Club jam packed, they gon' treat us like we royalty
Bad bitches in the VIP in my section
They want girls kissin girls, yeah, that's we flexin'
Now you got some new tricks, no?
Movin' yo' hips, no?
Now she gon' get it, hold it back for a nigga
You know you make me wanna dip around
Maybe we could trip around
Right eye is the visual, this right eye is the [?]
Your games all I wanna play, all day
Any way, every way
We need a sun or day, I can't wait
Chemistry, penetrate
Club jam packed, they gon' treat us like we royalty
Club jam packed, they gon' treat us like we royalty
Bad bitches in the VIP in my section
They want girls kissin girls, yeah, that's we flexin'
Taking more shots than the cops, that's tragic
It's ok as long as you don't turn into a habit
I know you like drinking out the bottle, fuck a glass though
I know when we fuck you like that finger in your ass though
I keep it on the low, low, low
Do I want you to stop? No, no, no
I know that niggas would pay for that pussy
I get it free with the promo code
Phone's off, no phone calls and no stress
Put that crown on your wrist, that's a Rolex
That's because you're royalty

They gon' wan' put on a show for me
They gon' wanna chauffeur me
When I take the camera out just make sure you pose for me
You know that little dress you wear, the little one, it do the most for me
When you get high, go drop it low for me
When the driver come and open up the door, make sure you close to me
Make sure you close to me cause the Club jam packed, they gon' treat us like we royalty
Club jam packed, they gon' treat us like we royalty
Got bad bitches in the VIP in my section
They want girls kissin girls, that's the way we do it, flexin' yeah Shawty wanna ride with the team, go on and

All up on your database
I just had to see your face
Last time I see your face
Netflix, weed, Patron
This here, we can't control
Your drug, I overdose
I think you sold your soul
