

Take It All Away

Haley Dreis

Verse 1:

One door opens and another closes on you
They say you can't but you know that that just ain't true
I feel my heart telling me it'll be alright

Pre-Chorus:

But I'm gonna prove 'em wrong and let my light shine

Chorus:

Take it all away
bring me to my knees
And I will shine a light
through all the darkened places
Yeah, yeah
Take it all away
bring me to my knees
and I will shine a light
through all the darkened places
to help me find my way

Verse 2:

Hey girl don't fear, I will be on your side
Others bring you down and those feelings you just can't hide
Have some patience cause it's gonna be a long ride

Pre-Chorus:

Together we can let our dreams come alive

[Chorus]

Bridge:

Peace within me
Nothing can begin without it
I will need some time...
Let the peace within your mind
Guide your heart and you will find
You are in another place
It's getting warmer
Fire burning in your eyes
Flames of passion slowly rise

Cutting through the clouds and skies
I will burn a light

[Chorus]
