Ten Ways

Slick Shoes

Does time go by, was there a day
When my love just wasn't quite enough?
Was there ever a day I did not care?
Have I ever shown you otherwise?
I could not possibly love you moreOnce again you're shown me, I was wrong
'Cause every day I see your face
Your beautiful green eyes
I find, I love you moreI have traveled this land and I've seen a lot
There's nothing I've seen that could prepare
The deepest ocean, the fire in the sunset
I've never seen anything like them
I saw you and they could not compareOnce again, you've shown me I was wrong
'Cause every day I see your face
Your beautiful green eyes
I find, I love you more
