# Fly on the Wall

## Tatu

When you're naked
In the shower
When you're sleeping
For an hour
When you're big
When you're smallOh, I wish I was a fly on the wallWhen you're with her
After midnight,
When you kiss her
In the daylight,
When you break
By the dawn,
Oh, I wish I was a fly on the wallWanna see
Who you are
Every inch
Every scarFrom your head to your toes
I would be there
From your bed to your clothes
I'm the airWhen you think you're alone
I'll be down the hall
I could see it, if I was a fly on the wall
What you do in your room
I could see it all
You undress, I wish I was a fly on the wall
Yeah!
For the drama
That you're drinking
And the dark thoughts
You are thinking
And the love notes
That you scrawlOh, I wish I was a fly on the wallSilently
I arrive
You don't know
I'm aliveFrom your head to your toes
I would be there
From your bed to your clothes
I'm the airWhen you think you're alone
I'll be down the hall
I could see it, if I was a fly on the wall
What you do in your room

I could see it all
You undress, I wish I was a fly on the wall
Yeah!Wish I was a fly on the wall
Yeah!
(Yeah!)Ever closer
Ever nearer
When you're looking
In the mirror
I would know
Who you callIf I was a fly on the wallFrom your head to your toes
I would be there
From your bed to your clothes
I'm the airWhen you think you're alone
I'll be down the hall
I could see it, if I was a fly on the wall
What you do in your room
I could see it all
You undress, I wish I was a fly on the wall
Yeah!Wish I was a fly on the wall
Yeah!
(Yeah!)From your head to your toes
I would be there
From your bed to your clothes
I'm the air
What you do on your own
I could see all
When you think you're alone
I would crawlWhen you think you're alone
I'll be down the hall
I could see it, if I was a fly on the wall
What you do in your room
I could see it all
You undress, I wish I was a fly on the wall
