

# Blame It On Me

Mapei

And you know, exactly what they say  
Turn the other cheek, let it go, look the other way  
Come in peace, just let me hold your hand  
I miss you more than you will ever know  
And never understand Hey, you can blame it on me  
Blame it on me  
Two people can't make it right  
Unless we try Take your time, to think it all over  
No matter where we were then on now  
You've got a shoulder  
No I don't wanna be here alone  
Words can't explain this love, with ending? And you can blame it on me  
And you can blame it on me  
Blame it on me  
Two people can't make it right  
Unless we try It's alright, it's alright  
You can blame it on me  
It's alright, it's alright  
You can blame it on me  
It's alright, it's alright  
You can blame it on me  
It's alright, it's alright  
You can blame it on me Did not mean to do you so wrong  
I can't do this here without you  
So let's be strong  
Didn't mean to mess with your head  
Trying your hard in your pride  
To leave it for the dead And you can blame it on me  
And you can blame it on me  
Blame it on me  
Two people can't make it right  
Unless we try It's alright, it's alright  
You can blame it on me  
It's alright, it's alright  
You can blame it on me  
It's alright, it's alright  
You can blame it on me  
It's alright, it's alright

You can blame it on me
