Have a Nice Day

Kelis

I'm not really on a hustle
But I must admit I still enjoy the grind
Now traffic doesn't bother me at all
Cause for once I'm not racing timeQuestions I used to ask myself
Answers I needed now
Problems seemed so unsolvable
But nothing much bothers me now
Nothing bothers me at allI'm falling down again

But it seems this time I can't break my fall

But if I hurt myself I'll put my band-aid on

And I'll fall, fall againQuestions I used to ask myself

Answers I needed now

Problems seemed so unsolvable

But nothing much bothers me now

Nothing bothers me at all Nothing's perfect

But today is close as it will ever ever be

Making songs is hard when you're happy

No one wants to hear about your lovely, lovely daysBut why should I be bothered at all

When every day I have a ball?

Why should I care what you think about my songs?

Why would I be bothered by the things you say at all? Told my manager I had nothing scandalous to say

Told my publicist, No press, ok?

Leave me by the beach today so I can feel the breeze

And watch the children playSo why would I be bothered at all

When every day I have a ball?

Why should I care what you think about my songs?

Why would I be bothered by the things you say at all?
