

Uncovered

Soundgarden

Small creature are you
Small creature you are
How quickly you are uncovered
Naked and cold
Mumbling and crying
Knowing everything's been discovered Many secrets have you
Many secrets you have
But it's only a matter of time
Did you finally decide
There's nowhere to hide
And really no reason why Hey Mr. Shame
Have you got a name
I don't feel like calling you Buddy
I don't want to hear your story
I don't want to hear why
And I don't even care if you're sorry Many secrets have you
Many secrets you have
But it's only a matter of time
Did you finally decide
There's nowhere to hide
And really no reason why Strong is your body
Strong are your bones
Strong as your bloody lie is uncovered Small creature are you
Small creature you are
How quickly you are uncovered
Naked and cold
Mumbling and crying
Knowing everything's been discovered
