When Friends Fall Out

Guess Who

The lone wolves howl
On Moonlight Bay
Dark moon is out
When friends fall out
When friends fall outBirds aren't alone
You've past all doubts
Their world has grown
When friends fall out
When friends fall outA journey is plastic for
Someone who's walking on air
He falls through elastic and
There is no net waiting there
And it's so nice to be home again
So nice to be home again
Where I belongNo night, no day
No in, no out
No work, no play
When friends fall out
When friends fall out (listen to me talkin')
When friends fall out (Baby, you got nothin')
When friends fall out
And it's so nice to be home again
So nice to be home again
Where I belong.
