

I Don't Wana Know (If U Got Laid)

Cinema Bizarre

Once upon a time
There was love in your eyes
There was forty nine days ago You know I'd understand
Said you're going for a dance
But you never came back home I was sitting by the phone
Thinking when you gonna call
But you left me
You left me on my own I don't wanna know
I don't wanna know
I don't wanna know
I don't wanna know
If you got laid I don't wanna know if you got laid
I don't wanna know if you're alright
'Cause I never said I missed you a life
I don't wanna know if you got laid
Such a tape on replay Sitting on the top
I can see you go round
Holding hands with
What's his name And a voice from the right
Said you'll sitting for a while
Got staring on my place
I wanted to go inside Need to make it sometime
I'm here your pictures
Pictures there all day I don't wanna know
I don't wanna know
I don't wanna know
I don't wanna know if you got laid
I don't wanna know if you got laid I don't wanna know if you're alright
'Cause I never said I missed you a life
I don't wanna know if you got laid
Such a tape on replay Don't wanna hear no more I don't wanna know
I don't wanna know
I don't wanna know if you got laid I don't wanna know
I don't wanna know
I don't wanna know if you're alright
'Cause I never said I missed you a life
I don't wanna know if you got laid
Such a tape on replay
