

Never Again

Sam Bailey

Said hush now
Dont bother me
Shut up, sit down,
You acted like you didnt care
You acted like you dont care
Its my life and its my voice and
I want answers now
Im calling but your never there
You wearnt there
Hey!
I bet you knew i was going in blind
Make the most of an innocent mind
Well never ever again
No never ever again
Ill think of you when im taken a bow
Ill picture your face do you see me now
No never ever again
No no never ever again
No no noStop working there is no talking
Don't dare blame me it's not my fault it isn't fair
It's not my fault it's not fair
No can't tell you how hard it was to watch all I worked for disappear into thin air
Disappear into thin air
Hey I bet you knew I was going in the blind
Make the most of an innocent mind
No never never again
no never never again
I think of you when I'm taking a bow
Picture your face take a look at me now
No never ever again
no never ever againI bet you knew I was going in blind
The most of an innocent mind
will never ever again
no never ever again
I'll think of you when I'm taking my bow
picture your face take a look at me now
no never ever again
no never ever again
