Barren

Ayria

As I look out at the desert sky
The cracks under foot spark a warning sign
Of lost promises where we could have it all
Momentum of time never slows

Weâ€™re Barren
Thereâ€™s nothing coming from within these walls
Iâ€™m empty
A vacant space of my own making
The sands of time
Passing us by forever one by one
Iâ€™m warning
Iâ€™ll never feel your breath against me

My Body, it tires as you fade away
The chances we take, the resulting pain
Misguided decided, we want it all
But nothingâ€™s for us to control

Itâ€™s all unwanted here
Iâ€™ll never feel your breath
You are not wanted here
Iâ€™ll never feel your breath

Weâ€™re Barren
Thereâ€™s nothing coming from within these walls
Iâ€™m empty
A vacant space of my own making
The sands of time
Passing us by, forever one by one
Iâ€™m warning
Iâ€™ll never feel your breath against me

Itâ€™s all unwanted here
Iâ€™ll never feel your breath
You are not wanted here
Iâ€™ll never feel your breath
Itâ€™s all unwanted here
Iâ€™ll never feel your breath
You are not wanted here

Iâ€™ll never feel your breath
Itâ€™s all unwanted here
Iâ€™ll never feel your breath
You are not wanted here
Iâ€™ll never feel your breath
