Gentlemen, our benefactor on this Christmas Day
Whose charity is only matched by talent, I must say
A new member of the Alphabet City Avant-garde
Angel Dumott SchunardToday for you, tomorrow for me
Today for you, tomorrow for me
And you should hear her beat
You earned this on the street?It was my lucky day today on Avenue A
When a lady in a Limousine drove my way
She said, "Darling, be a dear, haven't slept in a year
I need your help to make my neighbor's yappy dog disappear""This Akita-Evita just won't shut up
I believe if you play nonstop that pup
Will breathe its very last high strung breath
I'm certain that cur will bark itself to death"Today for you, tomorrow for me
Today for you, tomorrow for me
We agreed on a fee, a thousand dollar guarantee
Tax free and a bonus if I trim her treeNow who could foretell that it would go so well
But sure as I am here that dog is now in doggy hell
After an hour, Evita in all her glory
On the window ledge of that twenty third storyLike Thelma and Louise did
When they got the blues
Swan dove into the courtyard
Of the Gracie MewsToday for you, tomorrow for me
Today for you, tomorrow for meBack on the street where I met my sweet
Where he was moaning and groaning on the cold concrete
The nurse took him home for some mercurochrome
And I dressed his wounds and got him back on his feet, sing itToday for you, tomorrow for me
Today for you, tomorrow for me
I said, today for you, tomorrow for me
Today for you, tomorrow for me
