Outkast, y'knahmtalkinbout?

Yeah, like dis, check it outI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youNow the wind blows as I'm on 85, and chiefin' good

With a six-pack a that colt 45 just like I should

And if I could, I will, I might, get blowed tonight

If thangs go right, I'm gon' cut this hoe tonight

So I'ma get a call, from this broad

Run the game like she ain't ready

But still indeed, she on her knees, keepin' thangs steadyLike Betty Crocker, the face doctor

Just as she swallows with passion

So now she braggin', laggin' behind

What questions she now be askin', so time is passin'

Now I'm mashin' on, I'm gone, livin' in the world of hoes

So I suppose, it's goin' down deep in yo' city

'Cause in these parts, ain't nuthin' bad hard times

Now shawty, please, reallyI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI'm lookin' for anythang, gonna cut'em up

Like everythang, in my stable

Sir Lucius, with the left foot, is ready willin' and able

But these hoes will get on your nerves

Fuck all that kickin' 'em to the curb

You lackin' that tolerance

You let the hoe swallow it, get off in yo' parlor an'Stab out to the Cajun Crab house

Or the Jamaican cat house or the college, frat house

For the gul you just, mad house that rat house

And get you some scrub, she ain't ya girl

Skeet-skeet one off and dip boi

I'm slick as a curl, smooth as a pearl

Don't, don't be givin' no gifts boiOn the first date or the worst date

I'm goin' all the way on the first play

Like hail Mary's to field goals

I think I was put here to drill hoes

For real doe and while you blowin' up my

Bar I'm off in your purse

To get my gas money then I'm back on the 'spress way

And I'm out this verse, geyeahI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youMan this shit gettin' crazy, this girl wants to face me

Met her jes last week, told me that her name was Stacy

Bad lil' bitch, add her straight to my collection

Jump in my 'llac, in my pocket got protection

For thangs to go down, see I ain't playin' around

Got a half a tank of gas, I'm 85 southbound

It's a long ass way, I'm from the 20 side of thangs

She said, "It's dead serious, hot like some lighter flames" Oh you know how it go, I'm the nigga, she the hoe

She told me some mo', I shut my Cadillac do'

My hands on the grain, my pedal down to the ground

Ain't got my license, back so I need to slow down

Now I'm scrapin' the flo', shawty ain't got on no drawers

Man I'm breakin' the law, tryna get me this broad

I don't know what it is, but shawty fine as hell

Slum-type that I like, straight from A.T.L.

Shawty yeahI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you

Ridin' dirty on 85, slow, takin' it easy

I don't want nothin' to keep me from youI know you're waitin' for daddy, it won't be long shawty

Be patient 'cause I'm comin' to you  
Ridin' dirty on 85, slow, takin' it easy
