

How Far We've Come

Matchbox Twenty

(Hello, hello, hello)I'm waking up at the start of the end of the world,
But its feeling just like every other morning before,
Now I wonder what my life is going to mean if it's gone,
The cars are moving like a half a mile an hour
And I started staring at the passengers who're waving goodbye
Can you tell me what was ever really special about me all this time?But I believe the world is burning to the
ground
Oh well, I guess we're gonna find out
Let's see how far we've come
Let's see how far we've come
Well I, believe, it all, is coming to an end
Oh well, I guess, we're gonna pretend,
Let's see how far we've come
Let's see how far we've comeI think it turned ten o'clock but I don't really know
Then I can't remember caring for an hour or so
Started crying and I couldn't stop myself
I started running but there's no where to run to
I sat down on the street and took a look at myself
Said where you going man you know the world is headed for hell
Say your goodbyes if you've got someone you can say goodbye toI believe the world is burning to the ground
Oh well, I guess, we're gonna find out
Let's see how far we've come
Let's see how far we've comeWell I, believe, it all, is coming to an end
Oh well, I guess, we're gonna pretend,
Let's see how far we've come
Let's see how far we've comeIt's gone gone, baby its all gone
There is no one on the corner and there's no one at home
It was cool cool, it was just all cool
Now it's over for me, and it's over for you
Well its gone gone, baby its all gone
There is no one on the corner and there's no one at home
Well it was cool cool, it was just all cool
Now it's over for me, and it's over for youBut I believe the world is burning to the ground
Oh well, I guess we're gonna find out
Let's see how far we've come
Let's see how far we've come
Well I, believe, it all, is coming to an end
Oh well, I guess, we're gonna pretend,
Let's see how far we've come

Let's see how far we've comeLet's see how far we've come

Let's see how far we've come

Let's see how far we've come

Let's see how far we've come

Let's see how far we've come

Let's see how far we've come

Let's see how far we've come
