Other Side

T.S.O.L.

Mold me, break me, all the time hate me
Can't you see I'm not what I used to be
One way your way I'm on the oher side
can't you see I'm not going to try and hide!Give me or just give me away
Turn your back or just turn me away
Take me, break me, Im on the other side
cut me loose or I'll cut the lines'Love me, hate me, don't try to hear me
'Cause I got something you'll never find,You'll never find!
