In My Heart

Anita Baker

Oh no baby here I go
Fallin' in on the deep end one more time baby
I'm helpless to stop this, there's no defense
(Got this fever)
Yea I'm sick baby
(I'm on fire)
I'm on fire
(Fire burns)
Fire burns
In my heart, in my life, on my mind, in my head
In my house, in my arms, in my room, in my bed
Oh yea, I feel the symptoms I know the signs
Will I get well, really can't tell not for sure darling
For this disease you're the only cure
(Got this fever)
I'm sick baby
(I'm on fire)
I'm on fire
(Fire burns)
Fire burns
In my heart, in my life, on my mind, in my head
In my house, in my room, in my arms, baby baby baby

Oh yea, take my heart, take my soul
Take my hand, make me whole baby
Say my name, ease this pain baby
In my heart, in my life, on my mind, in my head
(In my heart, in my life, on my mind, in my head)
In my house, in my room, in my arms, in my bed
(In my house, in my room, in my arms, in my bed)
In my heart, in my life, on my mind, in my head
(In my heart, in my life, on my mind, in my head)
In my room, in my arms, in my bed
(In my house, in my room, in my arms, in my bed)
I need you babe in my house baby, In my arms
I need you baby, need you baby need you baby need you
Need you baby baby baby
Need you in my house, in my room, in my my my bed
Baby baby

Need you baby need you baby need you darlin'
Need you baby yes i do
Can't you come to house, cant you come to my room
To my bed, my my baby baby baby
