

White Heaven/Black Hell

Public Enemy

White lies, black history
White agents, black athletes
White Jesus, black preachers
White government, black drug dealer
White lawyers, black entertainers This is for the ones that do it
And this is for the ones that tell
And this is for the ones that's scared
White man's heaven is a black man's hell This is for the ones that take 'em
And this is for the ones that sell
And this is for the ones that OD
White man's heaven is a black man's hell This is for the ones on the corner
And this is for the ones in the cell
And this is for the ones underneath the ground
White man's heaven is a black man's hell White Christmas, black Monday
White wife, black success story
White judge, black police
White accountants, black business White distribution, black record company
White media, black comedians
White president, black politicians
White world order, black genocide White man's heaven is a black man's hell
