

# Made In England

Elton John

I was made in England, out of Cadillac muscle  
I had a quit-me father, had a love-me mother  
I had little Richard and that black piano  
Oh that sweet Georgia peach and the boy from Tupelo  
Oh, I was made in England  
I was made in England, out of Cadillac muscle  
Face down on a playground crying, "God, send me a brother"  
Not a bloody nose for rock and roll  
Give me that sweet Georgia peach and the boy from Tupelo  
Oh, I was made in England like a blue Cortina  
But a Yankee summer had a way about her  
You had a scent for scandal, well here's my middle finger  
I had forty years of pain and nothing to cling to  
Oh, I was made in England  
Oh, I was made in England  
If you're made in England, you're built to last  
You can still say 'Homo' and everybody laughs  
But the joke's on you, you never read the song  
They all think they know but they all got it wrong  
Oh, I was made in England  
Oh, I was made in England  
Oh, I was made in England  
Oh, I was made in England, hey  
I was made in England  
I was made in England  
Yeah, yeah, yeah, yeah  
I was made in England
