

Song for Mia

Lizz Wright

I went down to the water, all night long
I put my feet in, all night long
And I went down to the water, all night long
And i put my dreams in, all night long

And what you think of me, can't say
I'll take these bad things and I'll throw them all away
I'm at the shore now, the shadowsturn aw at my back
I can feel the waves coming, they're heavy and black

But I can't turn away now, It's like they're singing a song
And I, I'm in harmony, and I'm singing along
And what you did to me, I can't take no more
I'll take these bad things, and I'll lay them at the shore.....

Bridge music

The end of the ocean, I'll never see
I stare out in the distance and it's looking back at me

And I'll look down the water, all night long
And I'll put my feet in, all night long
And i'll put my dreams in, all night long
And I'll put my tears in all night long

I went down to the water....
