Wednesday Week

The Undertones

Here she comes to say, good night
I'll get no sleep, tonight
With a constant vision, she still can see
She was the girl for meWednesday week, she loved me
Wednesday week, never happened at allThere she goes, I won't see her again
She's gone to school with her best friend
She only does the things she likes to do
Now, she wants something newWednesday week, she loved me
Wednesday week, never happened at allWednesday week, she loved me
Wednesday week, never happened at allHere she comes to say, good night
I'll get no sleep, tonightWednesday week, she loved me
Wednesday week, she loved me
Wednesday week, never happened at all
