

Wednesday Week

The Undertones

Here she comes to say, good night
I'll get no sleep, tonight
With a constant vision, she still can see
She was the girl for me Wednesday week, she loved me
Wednesday week, never happened at all There she goes, I won't see her again
She's gone to school with her best friend
She only does the things she likes to do
Now, she wants something new Wednesday week, she loved me
Wednesday week, never happened at all Wednesday week, she loved me
Wednesday week, never happened at all Here she comes to say, good night
I'll get no sleep, tonight Wednesday week, she loved me
Wednesday week, she loved me
Wednesday week, never happened at all
