

"From Now on We Are Enemies"

Fall Out Boy

I just want to be better than your
Your head's only medicine
I just want to be better than your
Your head's only medicineA downward spiral just a pirouette
Getting worse 'til there's nothing left
What good comes of something
When I'm just the ghost of nothing, nothing?And I'm just the man on the balcony
Singing nobody will ever remember me
Rejoice, rejoice and fall to your kneesLunatic of a God or a God of a lunatic
Oh, their faces are dancing
They're dancing 'til, 'til they can't stand itA composer but never composed
Singing the symphonies of the overdosed
A composer but never composedSinging I only want what I can't have
I only want what I can't haveHeralded as a king before I had a birthday
With double digits
Fit the crown to my head but I was only a kid
Yeah, I was only a kidHey, I'm just the man on the balcony
Singing nobody will ever remember me
Rejoice, rejoice and fall to your kneesOh, lunatic of a God or a God of a lunatic
Oh, their faces are dancing
They're dancing 'til, 'til they can't stand itA composer but never composed
Singing the symphonies of the overdosed
A composer but never composedSinging I only want what I can't have
I only want what I can't have
I only want what I can't have
I only want what I can't, I can't haveI just want to be better than your
Your head's only medicine
I just want to be better than your
Your head's only medicineI'm just the man on the balcony
Singing nobody will ever remember me
Rejoice, rejoice and fall to your kneesI'm just the man on the balcony
Singing nobody will ever remember me
Rejoice, rejoice and fall to your kneesLunatic of a God or a God of a lunatic?
Oh, their faces are dancing
They're dancing 'til, 'til they can't stand itA composer but never composed
Singing the symphonies of the overdosed
A composer but never composedSinging I only want what I can't have
I only want what I can't have
I only want what I can't have

I only want what I can't, I can't have
