

Rather Be

Pentatonix

Lalaladadum

Lalaladadum

Lalaladadum

Lalaladadum

Lalaladadum

Lalaladadum

Lalaladadum (Oh) We're a thousand miles from comfort, we have traveled land and sea

But as long as you are with me, there's no place I'd rather be

I would wait forever, exalted in the scene

As long as I am with you, my heart continues to beat With every step we take, Kyoto to The Bay

Strolling so casually

We're different and the same, gave you another name

Switch up the batteries If you gave me a chance I would take it

It's a shot in the dark but I'll make it

Know with all of your heart, you can't shame me

When I am with you, there's no place I'd rather be No, no, no, no place I'd rather be

No, no, no, no place I'd rather be

No, no, no, no place I'd rather be Lalaladadum

Lalalada We staked out on a mission to find our inner peace

Oh, make it everlasting so nothing's incomplete With every step we take, Kyoto to The Bay

Strolling so casually

We're different and the same, gave you another name

Switch up the batteries (Woah) If you gave me a chance I would take it

It's a shot in the dark but I'll make it

Know with all of your heart, you can't shame me

When I am with you, there's no place I'd rather be No, no, no, no place I'd rather be

No, no, no, no place I'd rather be

No, no, no, no place I'd rather be When I am with you, there's no place I'd rather be Lalaladadum

Lalaladadum (Be)

Lalaladadum

Lalaladadum (No oh)

Lalaladadum

Lalaladadum (Be be be be)

Yeah-e-yeah-e-yeah-e-yeah, yeah If you gave me a chance I would take it

It's a shot in the dark but I'll make it

Know with all of your heart, you can't shame me

When I am with you, there's no place I'd rather be No, no, no, no place I'd rather be

No, no, no, no place I'd rather be

No, no, no, no place I'd rather be When I am with you, there's no place I'd rather be
