

I Am the Audience

[XTC](#)

I am the audience
There's no doubt, no consequence
I could make the morning papers
If I use my capers Let's be the audience
I might lose my patience
Polite applause accepted
To the ones selected as the audience Oh I am the audience
No doubt, no consequence
'Cause I'm the audience Let's be the audience
I might lose my patience
Polite applause accepted
To the ones selected I am the audience
Breakdown the pretense
No longer be silent
Let's turn to violence I am the audience
