Comet Song

Dethklok

Racing Through Time
Souls Prey Lead Blind
Intersteller Mutilation
Comets Speed Forth
Bring DETH For Earth
Time For Your Next Destination
Galactic DETH
Hunts
Flies
Pushes
Through Time
Space
Dimensions
Advance Your Place
Pay To Gain Grace
Your Salvation Through Defrayel
You Will Surive
So You Think Your
Bank Receipts Will Tip The Scale
Galactic DETH
Hunts
Flies
Pushes Through
Time
Space

Dimensions
Your Time Is Coming Tonight
You'll Be Killed At The Speed Of Light
Destiny You Can't Fight
Crushed By Comets
Transmogrified
DETH Will Bring You New Life
A Slave Forever On The Planet Of Hell
Eighty Thousand Years Since The Comet Took
Flight
Your Destiny Is Pain Forever
The Earthquakes
The Clouded Sky Breathes Fire

Lava Sprays ONTO The Seas
The Oceans Boil
The Deserts Freeze
Masses Flee Into The Streets
Meteors Fly With A Magnatized Heat
Crush And Take Human Deceivers
Fry The Souls of The NON-BELIEVERS
Smashing Killing Devouring All
No One Is Saved The Chosen Fall
Run With The Hordes Trample The Weak
Crush The Skulls Of Those that Can't Speak
Sweating Bleeding Your Eyes Go Wide
The Earth Is Ending It's About to Collide
The Clouds Part The World Goes Black
The Comet Speeds Forth For It's Final Attack
