Racing Through Time
Souls Prey Lead Blind
Interstellar Mutilation
Comets Speed Forth

Time For Your Next Destination

Galactic DETH

Flies

Pushes

Through Time

Space

Dimensions

Advance Your Place

Pay To Gain Grace

Your Salvation Through Defrayel

You Will Survive

So You Think Your

Bank Receipts Will Tip The Scale

Galactic DETH

Hunts

Flies

Pushes Through

Time

Space

Dimensions

Your Time Is Coming Tonight

You'll Be Killed At The Speed Of Light

Destiny You Can't Fight

Crushed By Comets

Transmogrified

DETH Will Bring You New Life

A Slave Forever On The Planet Of Hell

Eighty Thousand Years Since The Comet Took

Flight

Your Destiny Is Pain Forever

The Earthquakes

The Clouded Sky Breathes Fire

Lava Sprays ONTO The Seas
The Oceans Boil
The Deserts Freeze
Masses Flee Into The Streets
Meteors Fly With A Magnatized Heat
Crush And Take Human Deceivers
Fry The Souls of The NON-BELIEVERS
Smashing Killing Devouring All
No One Is Saved The Chosen Fall
Run With The Hordes Trample The Weak
Crush The Skulls Of Those that Can't Speak
Sweating Bleeding Your Eyes Go Wide
The Earth Is Ending It's About to Collide
The Clouds Part The World Goes Black
The Comet Speeds Forth For It's Final Attack
