Footsteps in the Dark

The Isley Brothers

Are we really sure,
That a love that lasted for so long,
Still endures?
Do I, really care?
Hey hey,
Let's talk about the distractions going on elsewhereI, keep hearing footsteps baby
in the dark, oh in the dark
Why? I keep hearing footsteps baby
In the dark
Oh in the dark, hooMy mind,
just now and then,
Looking down dark corridors and wonders what might have been
Something's up ahead,
Hey, should I keep this same direction,
Or go back instead?I, keep hearing footsteps baby
in the dark, oh in the dark
Why? I keep hearing footsteps baby
In the dark
Oh in the dark, hooHoney lets stop walking around
When there's love lost to be found
Aah, you Know I still care, I still care
What's the sense in going elsewhere?Who feels, really sure?
Can I really guarantee your happiness shall endure?
Do we, really care?
Hey hey,
Let's look at what's been happining and try to be more awareI, keep hearing footsteps baby
in the dark, oh in the dark
Why? I keep hearing footsteps baby
In the dark
Oh in the dark, hooLets stop walking around
Well when there's love, lost to be found
Oh baby, you Know, I still care, I still care
What's the sense in going elsewhere?Lets stop walking around
Well when there's love, lost to be found
Oh baby, you Know, I still care, I still care
What's the sense in going elsewhere?
