

# The Exorcist

## King Diamond

At the light of dawn on a day without sunshine  
Salem had vanished  
Gone, would Sarah, would she survive?  
Grandpa was panicking Father Malone, the exorcist  
Father Malone, the exorcist Sarah's voice had changed from female to male  
And that was wrong, it was as if Sarah had gone  
Grandpa remembered his friend  
Father Malone was the name Put me through to New Orleans  
The abbey of the holy saints  
Father Malone, please, it's urgent  
You got to, you got to, you got to put me through It only took a minute or two before the father, he understood  
Listen here my friend, do not despair  
I'll will be there this afternoon  
Beware of the daytime moon Father Malone, the exorcist  
Father Malone, he is here Holy Cross and Bible, Holy Water for the soul  
And so the house I bless but David, hes got to go  
Call for an ambulance before the others know  
Then he went back to Sarahs room
