Move

Inspiral Carpets

Lying around There's no need to lie First it's in your heart Then it's in your eyesLie down the line You can't take the truth The way I am I can't feel you moveI can't feel you move I can't feel you movelayers of skin I can't touch within Heard it in your voice Read it in your eyesLie down the line You can't take the truth My head is sore I can't feel you moveI can't feel you move I can't feel you moveRunning around There's no need to lie First it's in your heart Then it's in your eyesI can't feel you move I can't feel you move I can't feel you move
