

# Typical Situation

## Dave Matthews

Ten fingers counting we have each nine planets  
Around the sun repeat  
Eight ball the last if you triumphant be seven oceans - pummel  
The shores of the sea  
It's a typical situation, in these typical times  
Too many choices, hey yeah  
It's a typical situation in these typical times  
Too many choices, well Everybody's happy everybody's free  
Keep the big door open, everyone'll come around  
Why're you different, why are you that way  
If you don't get in line we'll lock you away  
It all comes down to nothing  
Six senses feeling five around a sense of self  
Four season turn on and turn off  
I can see three corners from this corner  
Two's a perfect number  
But one, well Everybody's happy everybody's free  
We'll keep the big door open, everyone'll come around  
Why are you different, why you that way  
If you don't get in line we'll lock you away, Aow everybody's happy everybody's free  
We'll keep the big door open, everyone'll come around  
Why are you different, why are you that way  
If you don't get in line we'll lock you away It all comes down to nothing  
It's a typical situation in these typical times  
Too many choices, hey ya  
It's a typical situation in these typical times  
Too many choices  
We can't do a thing about it oh  
Too many choices, hey ya  
It's a typical situation in these typical times  
Too many choices, yeah yeah  
Everybody's happy everybody's free  
keep the big door open, everyone'll come around  
Why are you different, why are you that way  
If you don't get in line, we'll lock you away, everybody's happy everybody's free  
We'll keep the big door open, everyone'll come around  
Why are you different, why are you that way  
If you don't get in line we'll lock you away

...

Everybody's happy and everybody's free  
We'll keep the big door open, everyone'll come around  
Why are you different, why are you that way  
If you don't get in line, we'll lock you away  
Everybody's happy, everybody's free  
If you don't get in line, you wait and see  
Everybody's different, Everybody's different  
Everybody's different, Everybody's (inaudible)
